# Victories over poverty

\*Thailand is both a member of CARE International and a country with ongoing CARE programming.

## Programming Highlights:

CARE's poverty fighting work reached 48 million people in Fiscal Year 2005 (FY05) through 861 projects in 70 countries.

- Over 21 million people received training or other assistance to improve their crops and protect natural resources, creating **sustainable solutions to hunger**.
- 2.8 million children benefited from projects that improve the quality of education and **increase school enrollment**, particularly for girls, who are more likely to miss out on schooling.
- 10.5 million people received **emergency assistance during times of crisis**, with emphasis on the needs of the most vulnerable, especially women and children.
- Nearly 31 million people gained access to **better health services**, allowing them to plan pregnancies, have safe deliveries and enjoy good newborn care.
- More than 23 million people got information that helped them **prevent the spread of HIV/AIDS** and reduce the suffering from one of the worst humanitarian crises of our time.
- More than 2.8 million people, 70 percent of them women, benefited from projects that **teach business skills**, increase access to credit and help people start and sustain small businesses.
- 2.5 million people gained **access to safe water and sanitation**, and learned hygiene skills, which, together, keep families healthy and reduce the burden on women of gathering water and caring for the sick.
